AAO-500 AWESOME ORANGE™ All Purpose Cleaner

FEATURES AND BENEFITS

AAO-500 AEROSOL AWESOME ORANGE™ is a foaming, all purpose cleaner, degreaser and deodorizer. The formula blends a biodegradable, non-caustic, multi-purpose cleaner with natural citrus extracts, surfactants and coupling agents and then it is aerosoled for ready to use, convenience. Removes oil, grease, ink, scuff marks, lipstick, crayon marks, smoke film, carbon dust, wax & silicone residue, dirty hand prints, stains in fabric, upholstery and more. Cleans and controls odors in one step. Powerful enough to meet critical cleaning requirements in most industries, while being safe and nontoxic. The citrus aroma leaves a pleasant, clean scent with a deodorizing capacity to go along with a superior cleaning capability. The handy aerosol is compact and fits anywhere. It fills the need without worrying about open containers and pistol sprayers.

RECOMMENDED FOR

All purpose cleaning in automotive, industrial, janitorial and household applications. It is especially useful in the automotive detailing departments because it is non toxic and biodegradable. The strength of Awesome Orange™ is what gives it the edge over other products. Being an all purpose cleaner denotes the multiple tasks this fine product is capable of handling.

APPLICATION

Directions: Shake well before using. For your protection, safety glasses and rubber gloves are recommended while using this product. Use the product between 70° and 90°F (21° and 32°C).
Carpets, fabrics, vinyl and leather: Spray on the surface and let it sit several seconds. Wipe off with a clean, dry cloth. When spraying seats or armrests, wipe off with a damp cloth.

Glass, chrome, mirrors, tile, porcelain: Spray on surface and let sit several seconds. Wipe off with a clean, dry cloth.
Plastic, rubber and painted surfaces: Spray on surface and let sit several seconds. Wipe off with a clean, damp cloth.
Odor Control: Spray ash trays, trash cans, dumpsters, bathrooms and let sit several seconds. Rinse clean and let dry.

SPECIAL NOTES

When using aerosols, always hold can in upright position, 8-12 inches from surface. Point opening of spray button toward object to be cleaned. Press spray button firmly and spray area until wet with foam.

PACKAGING

20 oz. can/12 per case
