- **Fast Working, Low Foaming**
- **VOC Compliant**

## C-51

# RED DEVIL™ DEGREASER

### FEATURES AND BENEFITS

C-51 Red Devil™ is a fast working, concentrated (3-to-1) waterbase degreaser formulated to remove grease, oil, dirt and accumulated industrial road grime on engines, door jambs, fender wells, tires, floors and more. This highly alkaline cleaner uses penetrating solvents that cling to surfaces and instantly start to work, eliminating product waste. Red Devil™ quickly breaks down and dissolves grease, dirt, mud and road grime in many different applications. Rinses clean and leaves no oily film or residue. One of the best features of Red Devil™ is the cost effectiveness. C-51 is also non-flammable and biodegradable.

### RECOMMENDED FOR

Works great on engine compartments, door jambs, fender wells, tires, floors, interiors and more. It is very fast working and is a great tool for strong cleaning

ability with an economical price tag. It breaks down and dissolves grease, dirt, mud and road grime and has numerous applications.

### APPLICATION

**Directions: Shake well before using.** For your protection, safety glasses and rubber gloves are recommended while using this product. May be diluted up to 3-to-1 with water. To apply, use a pistol sprayer or a tank sprayer.

**Engines: (full strength) -** Spray on engine and engine compartment and let sit for 2 minutes. Rinse clean with high pressure water.

**Concrete Floor Cleaner: (dilute 1-to-1) -** Spray on surface and let sit for 1-5 minutes. Agitate with brush and rinse clean.

**Tires/Whitewalls: (dilute 1-to-1) -** Spray on tire and let sit for 30 seconds. Agitate with whitewall brush and rinse clean.

**General Degreasing: (dilute 3-to-1)** Spray on surface and let sit for 1-2 min-

utes. Agitate with brush if necessary and rinse clean.

### SPECIAL NOTES

**Cover fenders. Keep off aluminum and exterior painted surfaces. Do not let dry on surface.**
