C-60

SUPER CAR WASH™

FEATURES AND BENEFITS

Super Car Wash™ is a thick, high sudsing, biodegradable auto shampoo that quickly and safely whisks away dirt, grime and road film. Super Car Wash is free rinsing, quick drying and contains a pleasant floral fragrance. C-60 contains built-in water softening and sheeting agents that effectively eliminate water spots and hard water deposits. Its pH balanced formula will not harm previously applied wax treatment or streak in sunlight. Concentrated 100-to-1 for economy. VOC Compliant.

RECOMMENDED FOR

C-60 is the ideal car wash solution for all types of automotive finishes. Properly diluted, Super Car Wash™ safely and effectively removes dirt, grease, dust, bugs, road grime and film from cars,

trucks, buses, vans, etc... Excellent car wash solution for detail shops, dealerships, motor pools, auto auctions and rental/lease agencies. Recommended for hand wash operations. Great for rollover car washes.

APPLICATION

Directions: Shake well before using. For your protection, safety glasses and rubber gloves are recommended while using this product. Do not apply to a hot surface or let dry on surface.

Bucket Method: Wet surface of the car thoroughly. In a bucket, mix 1 to 2 ounces of concentrate to 1 gallon of water, depending on whether normal or heavy duty wash jobs are expected. Using a PRO® Wash Mitt (ML-7X9) or sponge, wash half of the car at a time while surface is still wet. Rinse car thoroughly with water to remove contaminants and dry using a soft terry

cloth towel or a PRO® Nano Drying Cloth (B-300).

Automatic Car Wash: RTU Solution: Dilute 5 gallons of Super car Wash™ to 50 gallons of water. Then set metering device to 10-to-1.

SPECIAL NOTES

For best results, use a PRO® Wash Mitt (ML 7X9) and rinse surface area with softened water. Use PRO® Chamois (B-90) to wipe down surface.

PACKAGING

PINT/12 PER CASE
GALLON/4 PER CASE
5 GALLON CUBE
55 GALLON DRUM
