## **C-65 GLASS & WINDSHIELD CLEANER**

### FEATURES AND BENEFITS

C-65 GLASS & WINDSHIELD CLEANER is recognized by users everywhere as the finest available. C-65 is a professionally balanced formula of heavy duty cleaners, dryers, sparklers and ammonia. Designed for use in all weather conditions, C-65 removes water spots and other blemishes on glass and windshields, caused by hard water, acid rain, fallout, bugs, etc... Glass & Windshield Cleaner is anti-static, repels dust and leaves a protective coating for easy maintenance. C-65 will not harm chrome, plastic, rubber moldings or painted finishes.

### RECOMMENDED FOR

Glass & Windshield Cleaner quickly cleans and removes dirt, dust, oil, bugs, nicotine

and water spots with no film, smears or streaks. Leaves a pleasant fragrance when finished. Use C-65 on all glass, windshields, plexiglass, stainless steel and other hard surfaces. Ideal for detail shops, body shops, auto auctions, households, service stations, restaurants or anywhere clean and streak-free glass is desired and welcomed.

### APPLICATION

SHAKE WELL BEFORE USING. C-65 is ready to use or mix two to one depending on seasonal application. Fill spray applicator with C-65 (dilute if necessary). Apply to surface. Wipe immediately with clean, dry cloth or paper towel. Reverse toweling and polish until surface is dry using a PT-7 Microfiber towel

### SPECIAL NOTES

A second application may be necessary if surface is heavily contaminated. Glass & Windshield Cleaner is also great for tile, porcelain and other non-porous surfaces. For non-ammonia formula, try C-13 Super Glass Gleam or AGC-18 Aerosol Glass Cleaner.

Use C-30 Water Spot Remover for hard water spot removal. Follow with C-27-Q Glass Polish for protection.
