- **VOC Compliant**

C-92-P GADNIUM™ Metal Polish

FEATURES AND BENEFITS

C-92-P Gadnium™ Metal Polish is a powerful cream that is designed to clean, polish, deoxidize and protect. Removes tarnish, rust, water stains, heat discoloration, oxidation, tar, oil fingerprints, while restoring metals to their original luster. C-92-P Gadnium™ Metal Polish's easy to use "wipe-on, wipe-off" formula instantly cleans, shines and protects all types of metals such as brass, copper, cast iron, silverplate, sterling, chrome, stainless steel, nickel, bronze, aluminum, anodized aluminum, magnesium, pewter, tin and titanium. C-92-P Gadnium™ Metal Polish's non-abrasive (will not scratch) formula applies a brilliant, rich reflective lustre. Super strong anti-tarnish corrosive inhibitor provides sparkling, long lasting, waterproof protection. C-92-P Gadnium™ Metal Polish works great on non-metal surfaces such as acrylic, glass, fiberglass®, Corian®, crystal, Formica, linoleum, marble, polycarbonate and porcelain.

APPLICATION

Directions: For your protection, safety glasses and rubber gloves are recommended while using this product.

For Best results, soft material is a real key to getting professional results. Our PRO PT-8 Microfiber towels make terrific polishing cloths. Use of coarse cloth only on rough surfaces. Even minor scratching created by polishing cloth will dull the shine produced.
