- **VOC Compliant**

C-99 GREEN NITRO® Cleaner/Degreaser

FEATURES AND BENEFITS

C-99 GREEN NITRO® is a fast working, ready to use, multi-purpose cleaner/degreaser for engines, door jambs, fender wells, tires, floors and interiors. This high powered product is hotter (higher alkaline pH) than any of our other products in the all purpose cleaner class. C-99 Green Nitro®'s penetrating cleaners cling to surfaces and instantly start to work, eliminating product waste. Green Nitro® quickly breaks down and dissolves grease, dirt, mud and road grime in many different applications. One of the best features of Green Nitro® is the cost effectiveness. C-99 is also non-flammable and biodegradable.

RECOMMENDED FOR

Works great on engine compartments, door jambs, fender wells, tires, floors, interiors and more. It is very fast working and is a great tool for strong cleaning ability with an economical price tag. It breaks down and

dissolves grease, dirt, mud and road grime and has numerous applications.

APPLICATION

Directions: Shake well before using. For your protection, safety glasses and rubber gloves are recommended while using this product. **Dilute with water as directed.**

Engines: (full strength) - Spray on engine and engine compartment and let stand for 2 minutes. Rinse clean with high pressure water.

Concrete Floor Cleaner: (full strength) - Spray on surface and let sit for 1-5 minutes. Agitate with brush and rinse clean.

Whitewalls: (full strength) - Spray on tire and let sit for 30 seconds. Agitate with whitewall brush and rinse clean.

Plastic and Vinyl: (dilute 3:1) - Apply to cloth and clean soiled area. Rinse off or wipe clean with dry cloth.

Carpets & Fabrics: (dilute 5:1) - In a bucket mix 1 part C-99 with up to 5 parts water. Apply with brush or sponge, scrubbing or

blotting soiled area. Remove excess water with vacuum or sponge. Wipe off with dry, clean cloth.

SPECIAL NOTES

Keep from freezing. Keep off aluminum and exterior painted surfaces. Do not apply to a hot surface or let dry on surface.
