- Dries to an Ultra High Gloss Finish
- Long Lasting-Durable Shine
- Fruity Fragrance
- Use on Tires, Trim & Bumpers, Vinyl Seats, Interior Plastic, Rubber Mats & Dashboards
- VOC Compliant

## S-86

# PREMIUM BLUE™ DRESSING

### FEATURES AND BENEFITS

S-86 Premium Blue™ is a multi-purpose, low flammability, solvent base dressing that renews, restores and protects rubber, plastic and vinyl surfaces. S-86 utilizes high viscosity silicone to produce a rich, high gloss, long lasting shine on interiors and exteriors. Premium Blue™ lays down quickly to minimize runs and produces a consistent, waterproof coating that is not oily or greasy so it will not attract dust and dirt. The clean, unique fruity fragrance is a plus!

### RECOMMENDED FOR

Premium Blue™ can be used on tires, bumpers, moldings, trim, vinyl tops & seats, interior plastic, rubber mats and dashboards. Prevents drying, cracking, fading and hardening of rubber, plastic and vinyl surfaces on both interiors (see special notes) and exteriors.

### APPLICATION

**Directions: Shake well before using.** N.I.O.S.H. approved respirator, safety glasses and rubber gloves are recommended while using this product. Keep container closed when not in use.

**Tires:** With a sprayer, apply product evenly onto a clean, dry tire. Allow 2-3 minutes for runs to dissipate. Dries to a high gloss. For less gloss, apply by wiping on with sponge or terry applicator.

**Rubber, Plastic & Vinyl:** Wipe on pre-cleaned surface with sponge or terry applicator and let dry.

### SPECIAL NOTES

Use only as directed. Not for use on clear plastic (instrument panels), vehicle controls (pedals, grips, steering wheels) or brake discs/drums. Do not drive vehicle

immediately after application when tires are wet to avoid unabsorbed product from spinning off tires onto body panels. Solvent base dressings are not recommended for use on engine compartments. Use PRO® S-71 Clear Rubber Dressing or S-81 Wipe-On™ Vinyl Dressing in these areas. Refer to MSDS for additional protective measures.

### PACKAGING

PINT/12 PER CASE  
GALLON/4 PER CASE  
5 GALLON CUBE  
55 GALLON DRUM
